

Time Extension Notification

June 11, 2007

**Request for Proposal
Centennial Plaza
City of Gulfport, MS**

Due to the many uncertainties relating to and created by the Deep Horizon oil spill in the Gulf of Mexico, the GRC believes that the prudent decision is to extend certain dates referenced in the RFP. The due date for delivery of the Initial Proposal is hereby extended from June 7, 2010 to no later than 4:00 pm on June 28, 2010. **Therefore all references to a delivery date of June 7, 2010 shall be June 28, 2010.** The date for issuing any invitations to submit Supplemental Proposal is extended from June 15, 2010 to no later than July 8, 2010.

The fixed date for filing any protest under the section entitled Protest Procedures is extended from “or (ii) 4:00 p.m. local time on June 30, 2010” to “or (ii) 4:00 p.m. local time on July 15, 2010”.

The GRC believes that such time extensions are in the best interest of the development of the VA Site and the City of Gulfport. The GRC will continue to monitor the developments relating to the oil spill and its potential impact. The GRC specifically reserves the right to further extend any and all dates referenced in the RFP, including the due date for delivery of Initial Proposals and Supplemental Proposals.

As provided for in the RFP we encourage prospective developers to consider development of all or any part of the VA Site.
